Jolly Babies

The start of our musical journey.

It's astonishing how much fun we can have during our half hour music sessions! We will wave and clap, sing and dance, wiggle and giggle! Simple percussion becomes a favourite, as do the bouncing songs, bubbles and dances. Our small classes offer a wonderful opportunity for baby bonding and making new friends whilst having FUN!

Jolly Babies (0-18m)

Music with Mummy (18m+)

Music with Mummy

MUSIC with MUMMY is a structured programme of weekly classes for pre-school children aged three and under. Its main aim is to teach basic aspects of music to young children, while having fun. Each half term the children are introduced to a different learning concept through a new theme in the songs, games and activities. The material has been specially composed to gently direct these very young children towards our clearly defined objectives.
